

# Calvinism and the First Sin

James N. Anderson

A preprint version of this paper was originally posted here with the publisher's permission prior to the publication of the book in which it appears (*Calvinism and the Problem of Evil*, edited by David E. Alexander and Daniel M. Johnson, Wipf & Stock, 2016). Since the book has now been published, the preprint version has been removed. Please refer to [the final published version](#).
